The above Dust bins come in two variations: one completely in FRP, and the other in a combination of FRP and mild steel. The dust bins are made of Fiberglass Reinforced Polymer (FRP) using GP resin with a Benanni matt finish, 900 to 1200 GSM. The stand is made of mild steel (MS). All components are finished and painted with Duco NC-based paint in a matte finish, with colours as per choice.

The above prices are ex-factory prices. GST and transportation will be extra
